contract award. In considering past performance of a bidder for the purpose of determining the "lowest responsible qualified bidder" or the "highest scoring bidder in a multiple criteria bid", the commissioner shall evaluate the skill, ability and integrity of the bidder in terms of the bidder's fulfillment of past contract obligations and the bidder's experience or lack of experience in delivering supplies, materials, equipment or contractual services of the size or amount for which bids have been solicited. In determining the lowest responsible qualified bidder for the purposes of this section, the commissioner may give a price preference of up to ten per cent for (A) the purchase of goods made with recycled materials or the purchase of recyclable or remanufactured products if the commissioner determines that such preference would promote recycling or remanufacturing. As used in this subsection, "recyclable" means able to be collected, separated or otherwise recovered from the solid waste stream for reuse, or for use in the manufacture or assembly of another package or product, by means of a recycling program which is reasonably available to at least seventy-five per cent of the state's population, "remanufactured" means restored to its original function and thereby diverted from the solid waste stream by retaining the bulk of components that have been used at least once and by replacing consumable components and "remanufacturing" means any process by which a product is remanufactured; (B) the purchase of motor vehicles powered by a clean alternative fuel; (C) the purchase of motor vehicles powered by fuel other than a clean alternative fuel and conversion equipment to convert such motor vehicles allowing the vehicles to be powered by either the exclusive use of clean alternative fuel or dual use of a clean alternative fuel and a fuel other than a clean alternative fuel. As used in this subsection, "clean alternative fuel" means natural gas, electricity, hydrogen or propane when used as a motor vehicle fuel; or (D) the purchase of goods or services from [micro businesses] a micro business, except that, in the case of a veteran-owned micro business, the commissioner may give a price preference of up to fifteen

per cent. As used in this subsection, "micro business" means a business with gross revenues not exceeding three million dollars in the most recently completed fiscal year and "veteran-owned micro business" means a micro business of which at least fifty-one per cent of the ownership is held by one or more veterans, as defined in subsection (a) of section 27-103. All other factors being equal, preference shall be given to supplies, materials and equipment produced, assembled or manufactured in the state and services originating and provided in the state. Except with regard to contracts that may be paid for with United States Department of Transportation funds, if any such bidder refuses to accept, within ten days, a contract awarded to such bidder, such contract may be awarded to the next lowest responsible qualified bidder or the next highest scoring bidder in a multiple criteria bid, whichever is applicable, and so on until such contract is awarded and accepted. Except with regard to contracts that may be paid for with United States Department of Transportation funds, if any such proposer refuses to accept, within ten days, a contract awarded to such proposer, such contract shall be awarded to the next most advantageous proposer, and so on until the contract is awarded and accepted. There shall be a written evaluation made of each bid. This evaluation shall identify the vendors and their respective costs and prices, document the reason why any vendor is deemed to be nonresponsive and recommend a vendor for award. A contract valued at one million dollars or more shall be awarded to a bidder other than the lowest responsible qualified bidder or the highest scoring bidder in a multiple criteria bid, whichever is applicable, only with written approval signed by the Commissioner of Administrative Services and by the Comptroller. The commissioner shall post on the department's Internet web site all awards made pursuant to the provisions of this section.
